U7 Celly Claus Classic Jamboree!

Welcome players, families, coaches, and supporters!

We are so excited to have everyone joining us for a fun-filled day of hockey, smiles, and memories!

Today is all about having fun, trying your best, learning new skills, making new friends, and enjoying the game we all love. We encourage everyone to cheer loudly, celebrate the little victories, and most importantly, let the kids shine!

Housekeeping:

- **Dressing Rooms:** Teams are asked to use their assigned dressing rooms and ensure players are supervised at all times. Please remember the two-deep rule.
- Please leave dressing rooms clean and tidy after use. Garbage should be placed in the bins provided.
- **Rink Safety:** Please keep hallways and rink entrances clear. No running in the arena, and please be mindful of players moving through common areas.
- **Off-Ice Activities:** We have some fun activities planned throughout the day! Please ensure younger players are supervised while participating.

Game Play & Ice Setup:

- **Half-Ice Format:** The ice surface will be divided in half, allowing two games to take place simultaneously. Games will be played 4-on-4 and will consist of a 3-minute warm-up followed by 24 minutes of game play, with a buzzer sounding every 2 minutes for shift changes. Each team will play a total of three games.
- **Officials:** There will be no officials, each team will be required to have one coach on the ice at all times during their game to provide guidance and support.
- **Quick Transitions:** To help keep the jamboree running on schedule, we ask teams to be ready for their games and clear the ice promptly once their game is finished.

To all our young players: skate hard, smile big, try your best, and enjoy every minute! At this age, it's all about fun, development, building confidence, and creating a love for hockey.

A huge thank you to our coaches, volunteers, parents, sponsors, and everyone who helped make today possible. We couldn't do it without you!

Have fun and enjoy the jamboree!
